- Ensures that all client terminations are planned to support the clients' ability to transition.
- Ensures clients have information related to rights under the Mental Health Act and other related legislation.
- Ensures clients have awareness and understanding of rights relating to services, confidentiality.

Mental Health Diversion Plans & Court Support

- Develops diversion plans including referrals and activities, expected outcomes and timeframes.
- Prepares forms such as Fitness Screening/Mental Health Status exam, consents and crown sheet as required.
- Develops evaluation report to the court outlining individual's compliance with the Diversion Plan and includes recommendations regarding charges.
- Attends court as scheduled and provides support to individuals as required.
- Follows-up on individuals' next court dates for tracking purposes.
- Makes referrals to appropriate programs for individuals requiring additional services.
- Meets with clients regularly to ensure compliance of the Diversion plan.

- Works with service providers to develop supports, case conferences and discharge plans for the individual.

Conducts screening/ assessments as required

- Conducts capacity assessments to determine need for forensic assessment.
- Conducts psychosocial assessments to determine eligibility for mental health diversion.
- Advises the court personnel on sentencing recommendations, probation orders.
- Working relationship with forensic psychiatrist, sharing their clinical knowledge of the client.
- Liaises with court personnel, North Bay Psychiatric Hospital, Sudbury District Jail and service providers.

Develops educational programs relevant to client group

- Organizes and conducts skill training, educational, or support groups for clients at varied locations.
- Obtains and develops resources for delivery.
- Evaluates effectiveness of activities and sessions.

Ensures objectives of program are met

- Provides personal psychosocial rehabilitation, counseling and support to client in achieving goals, particularly in the areas of basic life skills, social interactions, family relationships, coping with mental illness, medication education and compliance, vocational skills development, monitoring progress and providing support when problems or crises arise.
- Participates in the evaluation of program goals and objectives making recommendations on changes to current program activities for improved service delivery.
- Advises Justice Coordinator on service operations developing/presenting reports and proposals.
- Participates in relevant Community of Practices, community partnership and stakeholder meetings as deemed appropriate.
- Conducts program/agency evaluations.
- Participates in comprehensive cross-training within justice program and provides support across all facets of justice programming as needed including court outreach, release from custody and youth services.

File management and reporting functions

- Ensures all client contacts are recorded appropriately and in a timely manner utilizing the agencies database program.
- Ensures that monthly, annual, and other required reporting documentation are completed.
- Ensures recording and maintenance of Mental Health Court outcomes as applicable.

Other

- Carrying out all duties of the Justice Case Manager position in a moral and ethical manner.
- Participates in public education services.
- Provides supervision to agency volunteers and students as requested.
- Provides additional support to staff as required.
- Ensures a minimum caseload as negotiated with immediate supervisor.
- Attends and participates in Supervision and Performance review meetings.
- Attends and participates in Organization meetings, such as Clinical meetings, Agency Planning Day

(APD), etc.

- Attends training such as webinars, psychiatric training, video conferences, etc.

QUALIFICATIONS AND EXPERIENCE

- Completion of a Degree in a health or social services related discipline.
- Valid Ontario Driver's License & access to a reliable vehicle
